Dear Members,

On behalf of the administration, staff, and residents of the Iowa Veterans Home, I would like to thank you for your generous donation of table runners, place mats, pot holders, and pillow cases which we received on May 22, 2023. These items will be distributed to residents as needed and are very much appreciated. Your donation is very much appreciated. Thank you for supporting our veterans!

We appreciate your support and we are grateful to you for your generosity and thoughtfulness. You have shown our veterans that you care about their well-being and your donation will positively impact our veteran and their spouses.

Donations are used for a variety of needs including: Christmas presents and holiday events, recreation opportunities, special requests for resident care, supplies for resident arts and craft projects, technology needs, clothing, personal care items, ceramics, music, leatherwork, and entertainment. Please refer to the back of this letter for a more complete list of the giving opportunities and ways to help our veterans and their spouses.

Again, we want to thank you for thinking of our residents and letting them know that you care about them and their well-being. Your donation has helped make living at IVH more enjoyable and has improved the resident's quality of life. Please feel free to contact us to set-up a tour to see how your generosity has impacted our residents.

Warmest regards,

Laurel Degelau
Volunteer Services Coordinator
